Re: Plugging  
Sawyer #1-K and #2-K, Section 27, T9S, R36E  
Lea County, New Mexico

Dear Mr. Sexton:

We respectfully request an additional 60 days to complete the plugging operations on the captioned wells. We have been in contact with the plugging company who started this work and they have assured me that they will complete the job. If they do not, I am in the process of receiving bids from other companies and I will be ready to complete the plugging myself.

Thank you for your consideration and should you have any questions, please let me know.

Sincerely yours,

  
Kelly H. Baxter
