Gentlemen:

Attached are approved copies of Forms C-103 for your Susco Bough
"C" Unit Wells Nos. 1 and 2.

We wish to call to your attention that total depth on these wells
was reached over a year ago and they began producing a minimal
amount of oil. It would seem that sufficient time has elapsed for
a decision to have been reached regarding your plans for the wells.

Therefore, within thirty days please submit either Form C-103 out-
lining your intent in regard to the wells, or Form C-104 requesting
an allowable in the Inbe-Perm-Penn Pool for the minimal production.

Yours very truly,

OIL CONSERVATION DIVISION
