Attn: Julian Ard

SUBJECT: Operator Name Change

Gentlemen:

We have received Form C-104 requesting operator name change from
Julian Ard to HTA Operating Company, Inc. for the following wells:

Harton-State #1-O 32-9-37

Harton State #2-N 32-9-37

Acme #2-C 4- 8-27 — *artesia*

I checked this date with our Santa Fe office and they do not have
a plugging bond filed under the name HTA Operating Company, Inc.
Before this operator name change can be approved you must have a
bond approved by the Oil Conservation Division.

Also, we require 5 copies of Form C-104 for operator name change.
We are returning these to you in order that you may furnish us with
the correct number of copies.

Also, the Acme #2 located in Unit C of Section 4, T8S, R27E, Chaves Cty, is
handled out of the Oil Conservation Division Office in Artesia.
Please return the C-104 on this well to the Artesia office.

Very truly yours,

OIL CONSERVATION DIVISION
