INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 29 days after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electrical and radioactivity logs run in the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 59 through 94 shall be reported for each zone. The form is to be filed in quarterly file except on state land, where six copies are required. See Rule 1455.
