To Diane Richardson

I had a call from The Anschutz Corporation concerning the release of a bond on the following well.

Allison Federal #1, 990/N & 1650/E of Sec. 33, T9S, R34E, Lea County, NM. The well was Federal and they did not need a bond, but in any case it has been plugged and the plugging has been approved by the BLM so I see no reason we cannot release the bond.

They would like you to send a copy of the release notice to the following address:

The Anschutz Corporation
Attn: Risk Management Department
2400 Anaconda Tower
555 17th Street
Denver, CO 80202

If you have any questions, please call me.

Thanks, Evelyn
