Re: SPENCE ENERGY COMPANY
No.1 State "14"
Unit Letter M, Sec.14-9S-32E
Lea County, New Mexico
Lease V-642

Gentlemen:

Attached are revised Forms C-101 and C-102 for plugging back of referenced well. Recent information indicates that the well is located on Lease V-642 and the NW $\frac{1}{4}$ Sec.14 is Lease LG 6326. Spence Energy Company is the lessee of V-642 and has a Farmout of the NW $\frac{1}{4}$ Sec.14. A Communitization Agreement is being prepared for the W $\frac{1}{2}$ Sec.14.

A copy of Revised Form C-101 and C-102 will be mailed to your Santa Fe Office to replace the forms that were previously filed with an Application for Unorthodox Gas Well Location.

Sincerely yours,

A handwritten signature in cursive script that reads "Jerry W. Long".

JERRY W. LONG
