Re: Flaring of Casinghead Gas

Gentlemen:

"SECOND NOTICE"

According to our records, permission to flare casinghead gas from your well/wells listed below has expired. Please, therefore, submit the enclosed Forms C-129 in triplicate requesting an exception to Division Rule 306.

LL&E #1, Unit P

7-9S-33E

Flying M San Andres

In the event that the gas has been connected to a gathering facility, please submit Form C-104 designating the transporter and showing the connection date, rather than Form C-129.

Yours very truly

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I

JS/dp

Dear Jerry,

This well has been shut-in for a year and a half or two years. This is why I didn't think it was necessary to file the above referenced form.

Yours very truly,

*William W. Ranck*
