Gentlemen:

As discussed with Evelyn Downs of this office, it will be necessary for you to file a change of lease name and well number for your Bobco E State #1 (located 330/W & 990/N) in order to get all the wells on this lease with the same lease name you should change this well to: New Mexico E State #5-D.

For your information I am enclosing a copy of the C-104 which was filed with us by your agent when this well was completed in May 1989, and you will note that the lease name is: Bobco E State #1.

Please file the enclosed Form C-104 requesting this lease name and well number change.

Very truly yours,

OIL CONSERVATION DIVISION
