Re: Bobco E State #1-D Sec. 26, T10S, R32E
Mescalero San Andres Pool

Gentlemen:

There seems to be some confusion about the reporting of production from the above-referenced well. Since you do not have a telephone it would be most helpful if you would call Evelyn Downs at (505) 393-6161 in order that this reporting discrepancy can be discussed and corrected.

Your allowable has already been cancelled and will not be reinstated until this problem is resolved. Please contact us as soon as possible.

Very truly yours,

OIL CONSERVATION DIVISION
