RE: EL PYRON #1
UNIT N, S11-T9S-R34E

Gentlemen:

An Oil Conservation Division representative made an inspection on the above referenced plugged well site in an attempt to release the location.

However, the following items need to be completed before the location can be released.

Remove all junk and equipment from location (cable, 4" connector valve).

Dry hole marker should state the: Operator Name, Lease Name, Well

Number, Section, Township, Range, and Unit Letter or Qtr/Qtr Section.

Please inform our office when these procedures have been completed by signing the bottom portion of this letter and return it to our address listed above, or notify Ray Smith when the location is ready for inspection at (505) 393-6161.

Yours very truly,

JERRY SEXTON
District I Supervisor
