Dear Mr. Sexton:

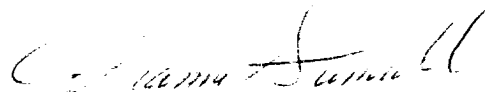

Enclosed is an application for permit to drill the above captioned well. This well will be drilled on an unorthodox location requiring an administrative approval.

A hearing was held March 17, 1994, our case number being 10941, requesting an administrative approval for Collins & Ware, Inc. to drill on this unorthodox location. To date we have not received the approval or denial documentation. As soon as this documentation is received, we will fax a copy to your office.

Sincerely,
