

Underground Injection Control Program
"Protecting Our Underground Sources of Drinking Water"

18-Oct-99

PENROC OIL CORP
PO BOX 5970
HOBBS NM 88241-

Dear Sirs:

Our records indicate that the following well(s) are due for the type of mechanical integrity test indicated. If the required test is a pressure test, please have the necessary equipment on location and ready to commence the test at the specified time. For all types of tests, please have a representative on location to operate any valves or other equipment as necessary. Your representative should meet our inspector at the 1st well listed below at the specified schedule date and time.

Scheduled Inspections / MITs

Scheduled Date: 11/3/99 8:30:00 AM
