Re: John Galt SWD #1-M, S25, T8S, R36E

Gentlemen:

We have received your request for the tank and the fence posts to be left on the location for use by Mr. Flat.

In order for us to release the location, it is necessary for Mr. Flat to sign a statement requesting these items be left, and that he is satisfied with the condition of the location.

You may forward this letter to Mr. Flat for his signature and when we receive his signed agreement, we will release the location. The following is a statement of agreement:

I have requested that Sage Energy leave all remaining items on the above location and the location in the current condition meets with my approval. I have no objections to a release of this site.
