Re: John Galt SWD #1-M, Sec 25, T8S, R36E

Gentlemen:

Our field representative make a re-inspection of the above plugged well location on February 3, 1988.

There is a 500 barrel tank and fence posts still on the location.

When these items are removed, and the location brought into a satisfactory condition, please sign at the bottom of the page and return a copy to this office at the above address.

Very truly yours
