

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

May 18, 1961

**The Atlantic Refining Co.
P. O. Box 1610
Midland, Texas**

Attention: Mr. R. E. Howard

Gentlemen:

As requested in your letter of May 11, 1961 our records have been changed to show the West half of the Southwest quarter of Section 28, T-8-S, R-37-E to be dedicated to your Rutter Federal No. 1 rather than the North half as shown on the original Form C-128.

One copy of the revised Form C-128 is being forwarded to our Santa Fe office, one copy retained for our files and one copy is being returned to you.

Yours very truly,

OIL CONSERVATION COMMISSION

**Joe D. Ramey
Proration Manager**

Oil Conservation Commission
Houston, New Mexico
1934

Oil Conservation Commission

1934

The Oil Conservation Commission was organized in 1934 to promote the conservation of oil resources in the State of New Mexico. The Commission is composed of representatives of the oil industry, the State of New Mexico, and the United States Department of the Interior. The Commission's primary purpose is to develop and enforce regulations that will ensure the efficient and economical use of oil resources in the State of New Mexico.

The Commission has been successful in its efforts to conserve oil resources in the State of New Mexico. It has developed and enforced regulations that have resulted in the efficient and economical use of oil resources in the State of New Mexico.
