District Engineer  
United States Geological Survey  
United States Department of Interior  
Hobbs, New Mexico

Dear Mr. Standley:

I regret that an erroneous plat was attached to Form 9-331a recently submitted in connection with Notice of Intention to Drill David Fashen-Hughes-Lopez Federal No. 1 but appreciate your assistance in returning the filing for correction.

Enclosed herewith you will find revised filing in quintuplicate consisting of Form 9-331a, Supplemental Statement of Plan of Work and Form C-128 covering Notice of Intention to Drill David Fashen-Hughes-Lopez Federal No. 1 Well situated in the SW/4 of the NE/4 of Section 31, T-8-S, R-38-E, N. M. P. M., Roosevelt County, New Mexico, 1980 ft. from North and East lines of said Section 31 with objective depth to the Bough "C" formation at or above the depth of 9,600 ft. from the surface.

We shall request the Bureau of Land Management to notify you when Statewide Unit Bond being filed with them on account of the operator has been approved. When all prerequisites have been met, we should appreciate your advising us by telegraph collect in order that we may proceed without delay with the drilling of the proposed well.

Yours truly,

WHITAKER & BROOKS

Mr. E. F. Evinger  
Inspector  
United States Geological Survey  
United States Department of Interior  
Mexico, New Mexico

Dear Sir:

I regret that an erroneous plan was attached to Form 1-3312 recently submitted in connection with notice of intention to drill David Fawcett Hughes-Lozano Section No. 1 but appreciate your assistance in returning the filing for correction.

Enclosed herewith you will find revised filing in duplicate consisting of Form 1-3312, Supplemental Statement of Plan of Work and Form 1-3312, covering Notice of Intention to Drill David Fawcett Hughes-Lozano Section No. 1. It is situated in the SW 1/4 of the NE 1/4 of Section 31, T-8-S, R-36-E, N-10-W, Roosevelt County, New Mexico, 1980 ft. from North and East line of said Section 31 with objective nearly in the South 10° for distance of above the depth of 9,500 ft. from the surface.

We would request the Bureau of Land Management to notify you when the same Unit Bond being filed with them on account of the operator and when approved. When all prerequisites have been met, we would appreciate your notifying us by telegraph collect in order that we may proceed without delay with the drilling of the proposed well.

Yours truly,

WHITAKER & BROOKS
