SUBJECT: Lone Star Federal Well #1-A
20-8-36 - Roosevelt County, NM

Dear Mr. Neely:

We understand that you are disposing of produced water into your Lone Star Federal Well #1-A located in Sec. 20, T8S, R36E. Our records do not show that you have approval from the Oil Conservation Division to use this well for disposal purposes. If you are using this well for disposal of salt water, you need to make application to our Santa Fe Office immediately for an order authorizing this well for disposal of salt water.

Also, you will need to file Form C-120-A for each month the well has been in use.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
