Dear Sir:

Please find enclosed the original and 6 copies of form C-110.
I have already filed my well record and potential at an earlier date,
and received your reply that the potential would not be approved until
I located a transporter. As you will note, my transporter is Cactus
Petroleum, Inc., of Midland, Texas.

I would appreciate your forwarding the approved copy of the C-110 to
Cactus as soon as possible, in order that I might clear storage on the
lease.

Very truly yours,

M-N Associates
