Dear Mr. Lowe:

An inspection has been made of the location for your plugged and abandoned J. B. Brown No. 1 located in Unit D of Section 6, T-7-S, R-34-E and it was found to be cleared in compliance with Commission Rules and Regulations.

In order to complete our file for this well, please submit Form C-103 showing the work done before plugging the well. Upon receipt of this form your Report of Final Plugging will be approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
