Dear Mr. Ingram:

Effective January 1, 1973, your Federal "E" Well No. 1 located in Unit C of Section 24, T-8-S, R-37-E, will be reclassified as a gas well in the Bluitt San Andres Associated Pool due to the recently submitted gas-oil ratio test.

Please advise this office when you have complied with the provisions of Commission Order No. R-1670-I pertaining to the Bluitt San Andres Associated Pool so that a gas allowable can be assigned.

Yours very truly,

OIL CONSERVATION COMMISSION
