13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Field restoration operations have been ongoing since March 1993. Evaluation of those operations, through September 1994, will determine the potential viability of this well to our restoration project. This well is in an area of the field that may be restored in early 1995.

Maersk respectfully requests to delay TA procedures or testing until 6/95.

14. I hereby certify that the foregoing is true and correct

Signed

Sammy Boya
