ATTEN: Mr. E. W. Standley

Dear Mr. Standley:

On May 29, 1963 we filled out Form "Notice of Intention to Plug Well" for the Lee Carter No. 1 in the SE $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 25, T-8-S, R-35-E, Roosevelt County, New Mexico.

The man who is ranching this property has asked me if we could leave this well for a water well for livestock. He said he would like to put a windmill over the hole. The formation bearing water was encountered about 230' and total depth of this hole is 245'. He mentioned that when he first settled that country he had drilled 18 wells trying to find water.

If this is permissible, please inform us as to what forms to file to releave us of this duty, so that this well might be turned over to Mr. O. K. Lovejoy.

Yours truly,

ASHMUN & HILLIARD, NO. 5 LTD.
