Re: Atlantic State "BB" No. 1
North Sawyer Devonian
Roosevelt County, New Mexico

Dear Mr. Ramey:

It is my understanding that Order No. R-2861 requires that we notify you of any well drilling on the effective date of the Order which is not located in conformance with spacing provisions set forth. The Atlantic State "BB" No. 1 is located at 1,650' from the north line and 990' from the west line of Section 32, T-8-S, R-38-E. It was spudded on December 20, 1964. If further notification is necessary because of this unorthodox location, please let us know.

Yours very truly,

W. P. Tomlinson
