Dear Mr. Ramey:

This will confirm our telephone conversation of January 21, 1970, regarding the above matter.

We are attaching for completion of your files two letters written to our agent, Lee Durrell and Co., by Mr. I. R. Trujillo, Chief, Administrative Services in Santa Fe, one of the letters dated October 20, 1969, and the other dated October 15, 1969.

At the time of our conversation you mentioned that you had written our principal and had not had a reply. We requested at that time that you send us copies of those letters. In the meantime we shall make arrangements to perform as surety.

We appreciate your assistance.

Very truly yours,
