Re: \$5,000 One-Well Plugging Bond,
Jim Black
SE/4 SW/4, Section 11, Township
8 South, Range 34 East

Gentlemen:

We have your letter of October 10, wherein you request cancellation of the captioned bond.

The bond, as you know, will have to remain in effect until the well covered is properly plugged and abandoned. However, I have contacted our Hobbs District Office and Mr. Ramey advises that an inspection of the location will be made within the next few days. When the results of the inspection have been received, we shall inform you of what will be necessary to effect cancellation of the bond.

Very truly yours,

I. R. TRUJILLO, Chief
Administrative Services

IRT/og
