12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Breck Operating Corp. is requesting approval to activate the Milnesand Unit, well #127. The well #127 has been temporarily abandoned since 12/14/88 because it was not assisting the performance of the waterflood. Due to mechanical complications with other water injection wells, it is necessary that this well be returned to injection.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
