Re: Request to TA Wells Milnesand SA Unit

Gentlemen:

We have approved your request to set CIBP in a number of wells in your Milnesand SA Unit. You indicate you plan to pressure test these wells at a later date. This is to remind you that the TA process cannot be complete until the wells have been pressure tested and charts submitted to this office.

You should contact this office 24 hours prior to commencing this work.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
