Gentlemen:

During March, 1965 you indicated that you produced 42,230 MCF from your Mark Federal No. 2 located in Unit M of Section 25, T-7-S, R-35-E. Our records show that Form C-104 for this well has never been processed since no Notice of Connection by the purchaser has been received in this office.

Will you immediately explain by what authority you are producing this well. Also, by copy of this letter your transporter is requested to advise this office of the authority they have to be purchasing gas.

Yours very truly,
