Re: Lse No. NM0145685  
Horton Federal ~~Unit~~ Wells  
Casing Test Program

Dear Sirs:

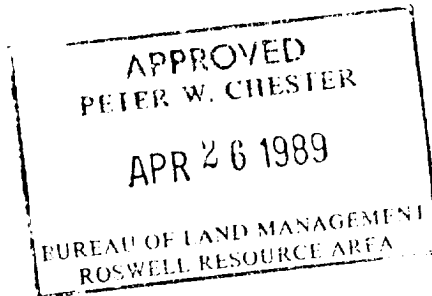

As requested, attached are procedures to test the casing integrity of the Horton Federal Unit Well Nos. 13, 30 & 32. Upon notice that these procedures have been approved, we will commence testing the wells. If there are any problems, please contact me at (915)688-0600.

Sincerely,

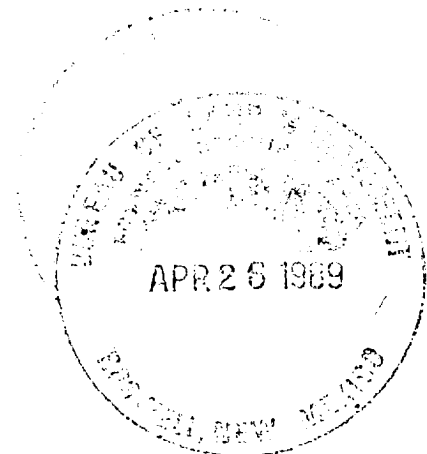

Handwritten signature of Jerry Nevans.
