Re: Proposed Re-entry
Norman Bates #1-A
Section 21, T8S, R36E

Gentlemen:

We have received from the BLM a copy of your proposal to re-enter the Charles Reed Bates Federal #1 and complete in the Abo at 8950-8992'. Our geologist, Paul Kautz, indicates a completion in this interval will be Wolfcamp and the well will come under the South Prairie Wolfcamp Pool.

If you have questions concerning this, please feel free to contact Paul Kautz or Evelyn Downs in the Hobbs OCD office (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION
