17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

All of the above wells are currently temporarily abandoned and have been for many years. After a unit study it has been decided that these wells should be plugged and abandoned. This will require the approval of our unit partners. This notice is to notify the B.L.M. that we are waiting on this approval and at such time as we receive it we will send in individual plugging procedures for each well.
