Gentlemen:

I have examined the application dated 11/22/65

for the Skelly Oil Co. Hobbs "T" #11 33-7-33  
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

Recommend a Hearing----E.F.E.

Exhibits show separation between upper & lower San Andres reservoir. There  
are 8 wells producing from lower San Andres with no proven separation  
between lower production & injection zone. Recommend Hearing---J.W.R.

Yours very truly,
