Re: Application to Dual Complete
Bluitt State Com. Well No. 1
Sec. 32, T-7-S; R-37-E
Roosevelt County, New Mexico

Dear Sir:

Texas Pacific Oil Company respectfully requests administrative approval to dual complete the captioned well in the Bluitt Gas Field. Upon completion the Wellcamp will be produced through the tubing and the San Andres Gas will be produced through the casing.

All offset operators have been furnished a copy of this application.

Yours truly,

TEXAS PACIFIC OIL COMPANY

*Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.

NOTE: If the proposed multiple completion will result in an unorthodox well location and/or a non-standard proration unit in one or more of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.
