17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

With approval of Oil Conservation Commission Order No. R-4176, this well has been converted to a salt water disposal well. We are injecting through 2" tubing, packer at 4290', into perforated interval from 4306' to 4344'. The annulus was filled with water and pressure gauge attached to the annulus at surface to determine that there was no leakage in the casing, tubing or packer. Injection operations were commenced January 1, 1972.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
