Re: Bluitt San Andres Unit Sec. 13 Well #7-G
Section 13, T8S, R37E
Roosevelt County, NM

Gentlemen:

According to our records you reported injection into the above-referenced well in August 1988. We have no sundry notice on file indicating how or when the well was converted to injection. Please file this delinquent report as soon as possible. Please indicate your injection interval, your packer setting depth, when injection was commenced, and if your tubing and packer were tested prior to commencing injection.

Very truly yours,

OIL CONSERVATION DIVISION
