Dear Mr. Hanks:

^{for} inspection has been made of the location for your plugged and abandoned Cabot State Well No. 2 located in Unit I of Section 32, T-8-S, R-36-E, and it was found to be cleared and levelled in accordance with Commission rules and regulations. However, before we can approve the final plugging and abandoning of this well, it will be necessary for you to submit Form C-103 covering plugging operations.

Yours very truly,
