Section 27, T8S, R36E

Gentlemen:

Form C-104 requesting the assignment of an allowable to the recompletion in the Wolfcamp formation has been received.

Please file an acreage dedication plat for the Wolfcamp completion on Form C-102. This does not have to be signed by a surveyor, but you do need to certify the acreage to be dedicated to the Wolfcamp completion.

This well is located slightly more than a mile from the South Prairie Wolfcamp Pool but our Geologist concurs with your recommendation and the South Prairie Wolfcamp Pool will be extended to include this well.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
