Attention: Mr. Joe D. Ramey, Supervisor District 1

Gentlemen:

This is to advise that the John R. Matthews No. 1 well located in Unit O of Section 18, Township 8S, Range 37E, Roosevelt County, New Mexico was connected at our gas gathering system for processing in our Bluitt Plant on October 28, 1971. The operator of this well is Vaughn Petroleum, Inc., 1407 Main, Dallas, Texas 75202.

If you should desire additional information regarding the connection of this well, please advise.

Yours very truly,

NATURAL GAS LIQUIDS GROUP
