17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well last produced during October, 1971, and has been temporarily abandoned since that time.

Preliminary studies are being made to determine the feasibility of secondary recovery in this field. This well would have value to a secondary recovery project and, therefore, should not be plugged and abandoned.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
