This form is to be filed in compliance with RULE 1104.

A request for allowable for a newly drilled or deepened well must be accompanied by a tabulation of the deviation from the well in accordance with RULE 111.

All sections of this form must be filled out completely for allow-
able and recompleted wells.

File only Sections I, II, III, and VI for changes of owner,
name or number, or transporter, or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply
producing wells.
