Gentlemen:

Before we can approve Forms C-104 and authorize the sale of gas from the wells listed below, it will be necessary for Transwestern Pipeline Company to furnish us with a Notice of Gas Connection for each well.

Federal "B"	No. 1-J	4-8-37
Federal "C"	No. 1-C	4-8-37
Federal "D"	No. 1-C	9-8-37

Further, although we have accepted Forms C-122 as submitted for these wells, in the future multi-point back pressure tests must be conducted in accordance with our Manual for Back Pressure Testing.

Yours very truly,

OIL CONSERVATION COMMISSION
