13 Describe Proposed or Completed Operations (Clearly state all pertinent details and give pertinent dates including estimated date of starting any proposed work. If well is directionally drilled give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This notice will inform you of our intent to test this well to 500psi, with the intention of temporarily abandoning this well, to preserve it for future use as an additional water injector in this water flood.

There is currently a cast iron bridge plug set at 4618'. The highest perforations are at 4681'.

Arrangements have been made for the BLM to witness this test on 2-8-94 at 10:00am local time. If the test is successful, it is requested that this well be approved for a TA status.

This NMOCD has been notified of this test by phone as of this date and by copy of this notice.

14. I hereby certify that the foregoing is true and correct.
