Re: Federal "27" A #1
Roosevelt County,
New Mexico

James:

27-75-37E

Per your verbal request this date, below please find data pertaining to the first production of the above referenced well.

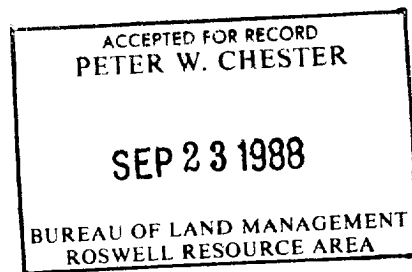

8-14-88	Swabbed 2.5 bbls oil - First Production Flowed 13.5 bbls oil - well died
8-15-88	Flowed 19.5 bbls oil - well died Flowed 13.5 bbls oil - well flowing Flowed 70.0 bbls oil - put on 24/64" choke
8-16-88	Flowed 50.0 bbls oil - through test separator

All above oil was produced into the test tank set on the Federal "27" A #1 location. The tank battery was 99% complete on 9-4-88 and oil was moved from the test tank to the storage tanks on this date.

Also, you requested the API number on this well. That number is 30-041-20832.

The Facility Security Diagram you requested is not included. It must be drawn by our field personel. A copy will be forwarded to you as soon as it is received.

Thank you for your patience in receiving this report. I will try to have future reports in your office in a more timely manner.

Sincerely,

H. L. BROWN, JR.
