Re: Will 693 Ltd.  
Well No. 3 & 4 (W.M. 40395)

Gentlemen:

Please accept this letter as application for approval of water disposal for the above wells.

The produced water from these wells is sent from our heater-treater into our water disposal system. The water goes down our pipeline into the Bond Area Disposal System and is disposed down our Pray No. 2 well which takes the water on a vacuum. The Pray No. 2 is located in Unit Letter "C", 660' from the north line and 1980' from the west line of Section 5, T-10-S, R-36-E, Lea County, New Mexico.

If any additional information is needed, please contact me at my Crossroads office, P.O. Box 957 or phone 675-2478.

Yours truly,

Gary J. Cothran  
District Superintendent
