Re: Change of Proposed Completion Zone
C. L. O'Brien Well #1
Unit A, Section 7, T8S, R30E,
Chaves County

Gentlemen:

We have approved your proposal to abandon your proposed plugback to the San Andres and instead attempt a completion in the Mississippian.

This is to advise that should the well be completed in the Mississippian it will be necessary for you to submit an acreage dedication plat, Form C-102, for the Mississippian.

Very truly yours,

OIL CONSERVATION DIVISION

Supervisor, District I
