Section 20, T-15-S, R-30-E
Chaves County, New Mexico

Dear Mr. Westbrook:

I have contacted Mr. Peter Chester with the Bureau of Land Management concerning your request of April 12, 1985, regarding the completion of subject well and he concurs that the completion as outlined on Form 9-331 and in your letter will be acceptable with that office. Upon the final plugging and abandoning of the well, however, it will be necessary to set a bridge plug between the two zones.

This office will also accept the present completion of the well and will consider it as a single completion.

Yours very truly,

OIL CONSERVATION DIVISION
