Stanolind Oil & Gas Co.
Hobbs, New Mexico

Gentlemen:

June 28, 1956 a survey was made to locate your State AM No. 1 Well which is located in the $SE\frac{1}{4}SE\frac{1}{4}$ Sec. 25, T15S, R30E, N.M.P.M. at a point 660 feet from the South and 330 feet East lines of Sec. 25.

A flag was set on the $\frac{1}{4}$ corner between Sections 30 and 31, T15S, R31E. The Survey was started at the U.S.G.L.O. marker common to Sec. 25 & 36, T15S, R30E and Sec. 30 & 31, T15S, R31E. Thence chaining 330 feet west, thence 660 feet north to the location. To check we chained East 330 feet to the East boundary line of Sec. 25, thence South 660 feet to the Sec. corner for an error of closure of .02 feet this is within the allowable limits of this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W West
