Attention: Jerry Sexton  
Supervisor, District 1

Gentlemen:

This letter is to advise you that the captioned well is not producing and it is our intention to plug and abandon this test as soon as we are able to secure a pulling unit to accomplish same. At that time we will file a Notice of Intention to Plug and Abandon.

We apologize for the delay in replying to your earlier request, but we were endeavoring to determine the possible production capabilities of this test prior to making a decision.

Trust this will be sufficient reply to your request of January 8, 1980, concerning Form C104 and C129, but if not please call or write.

Very truly yours,

Jack L. McClellan  
President
