April 28, 1952

Stanolind Oil & Gas Co.
Hobbs, New Mexico

Gentlemen:

April 18, 1952, a survey was made to locate your State "Z" Lease, Well No. 1, which is located 660.0 feet from the north and west lines of Sec. 34, Twp. 10 South, Range 31 East, N.M.P.M. in Chavez County, New Mexico.

The transit was set over the U.S.G.L.O. brass cap marker at the corner common to sections 27, 28, 33 and 34 and we sighted south on the U.S.G.L.O. $\frac{1}{4}$ cor. brass cap marker common to sections 33 and 34, we chained east 660.0 feet, thence south 660.0 feet to the location. Then to check we turned $45^{\circ}01'$ northwest and chained 933.4 feet to the point of beginning. This is 0.1 feet error which is within the allowable limits of this survey.

I hereby certify that this survey was made in the field by me and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
