Gentlemen:

Manry & Co. heretofore drilled a wildcat well in Section 26, Township 11 South, Range 31 East in Chaves County and in connection therewith filed the above mentioned bond with you. As the well was dry it was duly plugged. No further wells will be drilled by Manry & Co. under this bond. Inasmuch as the renewal premium comes due February 10, 1950, Manry & Co. desires to get a release of that bond. I will appreciate it if you will send me the necessary forms to file with you in order that this may be accomplished.

Yours very truly,

Homer L. Bruce
